Moritz Piatti

World Bank

PRESENTER

Anne Musuva

ThinkWell, Kenya

PRESENTER

Freddie Sengooba

Makerere University School of
Public Health, Uganda

PRESENTER

Gemini Mtei

Abt Associates, Tanzania

Join us as at the 2021 IHEA Congress as we explore approaches for enhancing facility autonomy and whether they increase the marginal productivity of public facilities. We will draw on evidence and insights from Kenya, Tanzania, and Uganda.

[Click here to register for IHEA by July 5 to attend the session](#)
